

User Stories:

1. As a client I would like to keep track of what was paid for each of my items and how many of my items were sold.
 - a. Priority: 1
 - b. Estimate: 40
2. As AuctionCentral, I would like to keep track of how many items each client has and how much was paid for each item as well as a description of each item.
 - a. Priority: 1
 - b. Estimate: 20
3. As a bidder, I would like to see the description of the item and the initial starting price of the item.
 - a. Priority: 1
 - b. Estimate: 13
4. As Auction Central we would like to receive Sealed bids from the potential bidders if they cannot be present for the auction
 - a. Priority: 3
 - b. Estimate: 5
5. As a AuctionCentral I would like for the client to fill out a form with the following information: Auction name, item name, quantity of the item bid as a single unit, starting bid price, donor, selling price, condition and any additional comments as well as storage location and size.
 - a. Priority: 1
 - b. Estimate 40
6. As a Bidder I would like to mark the size of the item and have a checkbox or something similar to let the company know that this is a small item.
 - a. Priority: 2
 - b. Estimate 5
7. As a Bidder I would like to be able to post a photo of my item with the item description so that the bidders have a preconception of to bid or not.
 - a. Priority: 1
 - b. Estimate 30
8. As an non-profit agency we would like to fill out the inventory item sheet and give each item a special inventory number for that specific auction so there will be no confusion for the bidders
 - a. Priority: 1
 - b. Estimate: 20
9. As a bidder I would like to be able to see the inventory number of each item so that I will not be confused on which item I am bidding for
 - a. Priority: 1
 - b. Estimate 20
10. As AuctionCentral I would like for many single items that go together to be sold as one individual item so that the bidders can buy all the items at once.
 - a. Priority: 1

- b. Estimate 13
- 11. As AuctionCentral we would like to fill out an Auction information form that consists of things like: Organization name, contact person, auction date and time, our staff member who received the call or email, the contact person's phone number and email the anticipated number of items and any comments that we should have about the auction.
 - a. Priority: 1
 - b. Estimate: 40
- 12. As AuctionCentral we would like to check if a contact person is already in the system by checking the phone number and if they match so that we do not add the same person twice
 - a. Priority: 1
 - b. Estimate 40
- 13. As AuctionCentral we would like to edit the contact person's information if there are any updates so we don't have to add another contact person.
 - a. Priority: 1
 - b. Estimate 40
- 14. As AuctionCentral we would like to add an auction into our system, if there are 25 auctions, than we are at capacity and we cannot take another auction.
 - a. Priority: 1
 - b. Estimate 60
- 15. As AuctionCentral we would like to cross-check if the dates of the potential auction have 2 or more auctions previously sheduled, if they do, we cannot schedule the auction on that date.
 - a. Priority 1
 - b. Estimate 80
- 16. As AuctionCentral we would like to check if there are 5 or more auctions running during any single week of the cross-checked date, if there is, we cannot schedule the event, otherwise it is okay.
 - a. Priority: 1
 - b. Estimate 80
- 17. As a nonprofit organization we would like to be able to submit a auction request
 - a. Priority 1
 - b. Estimate 500
- 18. As AuctionCentral, a record of upcoming and past auctions must be kept track of for each individual non-profit entity
 - a. Priority 2
 - b. Estimate 300
- 19. As a non-profit we would like to provide a maximum number of inventory items for the auction to auction central so that there can be a cap on how many items are bought and sold
 - a. Priority 3
 - b. Estimate 10

20. As AuctionCentral, we only want our employees being able to log in and look at the data in the database or use our system so that there is no hostility presented to us through the volunteers that may be working the auction.
 - a. Priority 1
 - b. Estimate 500
21. As the nonprofit contact from the nonprofit organization I would like access the the AuctionCentral system so that I can view the items and add items to the inventory list.
 - a. Priority 2
 - b. Estimate 20
22. As a bidder I would like to only be able to bid for the auction, nothing else so that I don't screw anything up :)
 - a. Priority 1
 - b. Estimate 40
23. As a bidder, access to the bidding system is available online and I would like to be given options to select from so that I can select more than one auction to bid at
 - a. Priority 1
 - b. Estimate 600
24. As a bidder I would like to be able to register myself with my name, address, phone number and email address so that we can make a sealed bid if necessary
 - a. Priority 3
 - b. Estimate 40
25. As a bidder I would like to bid on more than one auction at a time but not without having my credit card company approve my potential spending first
 - a. Priority 1
 - b. Estimate 500
26. As a bidder when I submit a sealed bid I want it to be secret so that only AuctionCentral can see the bid amount and none of the other bidders
 - a. Priority 2
 - b. Estimate 20
27. As an AuctionCentral Administrator staff member, I would like to be able to unseal the sealed bids but only after the auction start time has begun on the start date
 - a. Priority 1
 - b. Estimate 500
